### **PROFIT WARNING**

This announcement is made by KSL Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules (the “**GEM Listing Rules**”) Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the nine months ended 30 April 2016, the Group expects that the net profit of the Group for the nine months ended 30 April 2016 will decline substantially by about 30% to 40% as compared with the net profit recorded for the corresponding period in 2015. The decrease was mainly due to a decrease in gross profit margin for the Group’s contracting business as a result of an increase in the Group’s subcontracting charges and in the overall construction costs in Hong Kong, coupled with a decrease in revenue derived from undertaking geotechnical works as contractor as a result of competition faced by the Group in obtaining new businesses.

The Company is still in the process of finalising the consolidated financial results of the Group for the nine months ended 30 April 2016. The information contained in this announcement is only based on the information currently available and the preliminary review on the unaudited consolidated management accounts of the Group, which have not been reviewed nor audited by the auditors of the Company as at the date of this announcement and may be subject to further adjustments.

Shareholders and potential investors are advised to peruse the financial results for the nine months ended 30 April 2016 with care when it is released. The third quarterly results announcement of the Group for the nine months ended 30 April 2016 shall prevail over the information contained hereon, and will be published in June 2016 pursuant to the requirements of the GEM Listing Rules.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**

By order of the Board
